

## **Puppy Party**

You are invited to attend a FREE puppy party.

### **Advice on Puppy care**

We will go through any teething problems, offer help, advice and information on:

Socialisation/Basic Training  
Handling/Grooming  
Puppy Behaviour  
Tooth brushing  
Health advice

### **Socialisation for your Puppy**

The puppies will get chance to socialise with other puppies of a similar age, other people and sometimes children.

Socialisation is very important and should be addressed at this young age. A qualified behaviourist is on hand to give help and advice

### **The Puppy Parties**

We hold parties every Wednesday at 6pm at the Brayton surgery. All Puppies aged 8-14 weeks, who have had their first vaccination, are very welcome.

Please phone to confirm your place.

**If you would like to make an appointment or require further information please contact us at Brayton 01757 705562 or Sherburn-in-Elmet 01977 684952.**
